

PRESS RELEASE

## **ProBuild Selected as Exclusive Distributor of Cantera Doors for Selected Markets**

*Agreement Expected to Speed Delivery and Expand Availability of Custom and Semi-Custom Iron Doors*

**DENVER, Colo., June 2011** — ProBuild Holdings Inc., the nation's largest professional building materials supplier, today announced it is the exclusive distributor in select markets for Cantera Doors, a leading manufacturer of wrought iron doors.

"Cantera Doors has built an excellent reputation in Texas for quality craftsmanship and attention to detail," said Mike Raguse, area vice president for ProBuild. "We are very pleased to add this high-quality line to our product catalogue, and believe that our collaboration with Cantera Doors will benefit semi-custom and custom builders in the Texas market."

Under the terms of the distribution agreement, ProBuild will be taking over management of Cantera Doors' Lakeway, TX showroom. In addition to Cantera Doors products, this location will feature a design center in which ProBuild will showcase additional custom home products such as high-end windows and custom millwork. ProBuild locations in Houston, Austin, Dallas/Ft. Worth and Oklahoma City, OK will also be displaying Cantera Doors products.

"We believe that our unique distribution arrangement with ProBuild will provide the right balance of local expertise and national reach that our customers have been demanding," said Mauricio Trevino, owner of Cantera Doors. "Choosing ProBuild will enable us to provide better service, standardized pricing and semi-custom doors with unheard of turn around times."

For more information about the ProBuild iron door collection by Cantera Doors, please inquire at your local ProBuild location.

### **About Cantera Doors**

Cantera Doors is a leading innovator in custom wrought iron products.
