

Hello Jacki ,

Just a short note to let you and Edgar know that our front doors have been refinished and (with the new bronze tinted acrylic panels we had installed) they look better than new! Your employee Jose, who drove all the way from Texas, did an absolutely terrific job repainting the doors. He was a very professional young man who obviously took pride in his work.

This is exactly the high level of customer service we expected from Cantera Doors and wanted your CEO to know how satisfied we are with the results. My husband and I truly believe you make the finest quality wrought iron entry doors/gates and would not hesitate to recommend your company to anyone!

Thank you again!
